Masterpiece Homes

Custom Redesign

For over 30 years, Masterpiece Homes has partnered with homeowners to accomplish their home improvement dreams. Every project, from remodeling an entire home to finishing a single room, utilizes the same proven quality process that is a trademark of all we do. Customers appreciate our open communication, high level of personal attention, detailed design, talented craftsmanship, and commitment to creating renovations of character and distinction. We know from experience that successful home improvement projects depend on step-by-step methodology: gathering ideas, listening to customer input, exploring options, developing plans and specifications that work within the budget, and executing according to promised deadlines. We work closely with customers through each of these steps, providing the insight necessary for informed decision-making and the expertise to make your vision a reality.

On-time completion and your total satisfaction is our goal:

- Interior finishing and remodeling
- Room additions
- Custom garages
- Exterior renovation
- Outdoor living projects
- Insurance restoration
